Type of League:

Weekly Events:

Players are placed in flights based on handicap so they are competing against other players of similar ability. Each week each player plays a 9-hole match against all other players in her/his flight, 1 point per match. Top 3 point-earners at the end of each half of the season win a prize at the end of the year.

Each week there is a special fun event in addition to the matches in the flights. The event changes each week, and is something like fewest putts, most drives in the fairway, best poker hand with net scores, etc. Top four finishers each week win a Tam O'Shanter gift certificate!

You make your own groups for league play each week; there's no schedule of who you must play with week to week.

Optional Weekly Events:

There is a Gross Score Skins Game, with separate pools for Men and Women, and there is also a Net Score Skins Game, once again separately for Men and Women. No requirement to play the Skins Games.
